2024 WHOLESALE CATALOG

Dear Friends,

Welcome to 2024 and the 99th year in business for the Kankakee Nursery Company. While it doesn't take a PhD in mathematics to calculate the milestone on the horizon next year, we'd nonetheless like to cordially invite you to celebrate with us as we give the big 9-9 its proper due.

Along with my fellow 4th-generation owners Steve, Amy, John and Nick, we will be ringing in 2024 by continuing to advance our primary focus since we took the reins of the business two years ago: striving towards excellence.

Sounds kinda cliché, right? Well let's dive a little deeper into what that phrase means to us.

We are striving towards excellence in the quality of our plants: We've been revamping our propagation, planting and pruning methods to obtain healthier root systems, stronger leaders, fuller heads and better uniformity (see: Swamp White Oaks on this catalog cover).

We are striving towards excellence in our selection. We've been listening and acting upon your direct feedback and survey responses telling us what plants we need to be growing and will continue to do so. We've also been holding back more plants to offer the bigger sizes of trees and evergreens you're looking for.

We are striving towards excellence in serving YOU. We've committed to releasing accurate inventory day-in and day-out, we continue to tweak operational efficiency for quicker turnaround, and we honor what our predecessors taught us in practicing open and honest communication.

To borrow a phrase from someone smarter than me, excellence isn't achieved overnight. This is always true, but as obvious as it gets in the nursery business. We've come a long way in 99 years, but still have a long way to go in our pursuit.

I hope you join us on the ride.

Thankfully,

Pete Worth
Sales & Marketing Manager

Plant Particulars

Kankakee Nursery ships plants all over the United States and Canada. These handy charts provide you with all the miscellaneous details necessary for setting up your plant delivery.

Plant Type	Plant Size	Diameter of Ball/Pot	Number of Plants to Fill a Semi	Estimated weight in pounds
Trees (Single Stem & Clump)	#15 Root Pouch	17"	250	100
	#20 Plastic Container	19.5"	160	140
	#25 Plastic Container	22.75"	140	200
	1.5"-1.75" & 5' BB	24"	110	250
	2" & 6-7' BB	26"	90	325
	2.5" & 8-9' BB	28"	70	500
	3" & 10' BB	32"	50	700
	3.5" & 12' BB	36"	35	1,000
Arborvitae/ Junipers	4" & 14' BB	40"	24	1,400
	#15 Root Pouch	17"	250	100
	4' BB	18-20"	140	100
	5' BB	20-22"	120	150
	6' BB	22-24"	100	200
	7' BB	24-26"	90	250
	8' BB	26-28"	75	300

Note: Ball weights will increase significantly when wet.

Container Sizing

In response to the new container sizing regulations for industry retailers, we have provided a chart of the containers we use in our production operation. The information listed below will help with your compliance to the Uniform Weights and Measures Law and the Uniform Packaging and Labeling Regulations.

Brand/Style	Trade Size	Actual Gallon	Liter
Classic	#10 Squat	10.7	40.4
Classic	#15	13.2	49.9
Classic	#20	19.6	74.2
Classic	#25	27.7	104.4
Root Pouch	#15	14.99	56.78
Root Pouch	#25	25.00	94.64

Volume Discount Policy

Discount levels are based on previous year's sales volume paid within Kankakee Nursery's agreed upon terms.

\$20,000 - \$39,999	4%
\$40,000 - \$59,999.....	6%
\$60,000 - \$79,999.....	8%
\$80,000 - \$99,999.....	10%
\$100,000+	12%

Kankakee Nursery reserves the right to change or cancel the program at any time.

Terms & Conditions

- Usual trade terms to customers with established credit.
- First order always COD with certain exceptions.
- Visa, MasterCard, American Express and Discover accepted on COD orders.
- 2% discount if paid on or before 10 days, net due thereafter. Discount does not apply to credit card or debit card purchases.
- Interest is charged on past-due accounts. A finance charge of 1.5% per month (annual interest rate 18%) is applied to invoices unpaid at the end of the month following the month in which the invoice is due.

Tagging

Tagging stock in the field is subject to the approval of management. A charge of 10% will be added to the cost of items tagged for spring digging.

Holding Charges

Please pick up plant material when ready. Starting on June 1, a holding charge of \$2 per tree per workday will be assessed to spring-dug orders that have not been picked up. Additionally, orders not picked up in a timely fashion may be placed back in inventory and sold.

Truck Delivery

We offer trucking (semi) service to any part of the United States or Canada. A minimum order of \$2,000 is necessary for this service. All goods travel at the purchaser's risk and expense. See chart on page 6 for shipping rates.

Unloading of Material

Customers are required to have the manpower and equipment necessary to unload the material. We charge an unloading detention fee of \$75 per hour after 2 hours.

Cancellations

We do not accept cancellations for balled and burlapped material that has already been dug.

Claims

We shall not entertain claims for any cause after goods have been accepted or when a report is not made in writing within 10 days after arrival of stock.

Summer Digging

A 15% charge will be added to the price of all summer-dug trees. We assume no responsibility for plants purchased for out-of-season digging.

Guarantee

If any nursery stock proves untrue to the description or variety name under which it is sold, Kankakee Nursery will, with proper proof, replace such nursery stock or refund the original amount paid. We shall in no case be liable for any sum greater than the amount originally paid for said nursery stock.

Kankakee Nursery Staff

Steven Curren Jr.

Production Manager
stevejr@kankakeenursery.com

Steve has been with Kankakee Nursery since 1996 and now serves as our Production Manager after getting his start in container shrub and pot-in-pot tree production. Steve received his degree in plant and soil sciences from Southern Illinois University.

John Worth

Inventory Manager
johnw@kankakeenursery.com

John serves as our inventory manager - tracking, selecting, and sizing our inventory in all its sizes and forms. He holds a degree in business management/entrepreneurship from Saint Louis University.

Amy Curren Baker

Office Manager
amy@kankakeenursery.com

P: 815-614-5568

Amy joined Kankakee Nursery 22 years ago after graduating with a degree in marketing from Eastern Illinois University. As office manager, Amy handles all of our AR/AP and HR responsibilities.

Nick Worth

Crew Leader

Nick leads a crew in the propagation department, helping with potting, watering, and pulling orders for shipment.

Chuck Davis, ICN Pro

Propagation Manager
chuckd@kankakeenursery.com

Chuck has 37 years of experience in nursery production, over 20 of them at Kankakee. He holds a degree in ornamental horticulture from University of Illinois.

Jeff Franklin

Weed & Pest Control/Facilities Manager
jefff@kankakeenursery.com

Jeff began his Kankakee career in 1999 as a tractor driver and now runs our weed and pest control program. He is also in charge of all of our facilities and equipment. Jeff received his degree in Agriculture from Purdue University and also runs an organic vegetable farm, Deer Creek Organics.

Tim Lagesse

Shipping Manager
tim@kankakeenursery.com

Tim runs the loading dock and shipping yard for Kankakee, while also serving as quality control for the thousands of plants shipped each year. He has been with Kankakee for 44 years.

Saskia Jensen

Administrative Assistant
sales@kankakeenursery.com

P: 815-614-5557

Saskia joined the Kankakee staff in October of 2021 as our administrative assistant. A native of Dürnau, Germany, Saskia previously held administrative positions at both Mercedes-Benz and Semitron, an electronics distributor.

We would like to thank all of our employees for their loyalty to our company. 2024 marks many loyal years from all we consider part of our family.

Kankakee Nursery Sales Staff

Pete Worth

Sales & Marketing Manager
petew@kankakeenursery.com

P: 815-614-5556

Pete joined Kankakee as an inside sales representative in the summer of 2009 after receiving his bachelor's degree from Marquette University. In addition to his sales duties, Pete designs our email marketing campaigns and maintains our constantly-expanding website.

Peter Reeser

Sales (CO, MN, ND, SD)
peter@kankakeenursery.com

C: 719-671-4462

Peter has covered Colorado and the Rocky Mountain states for Kankakee since 1996 and has been in the nursery industry for 42 years. His experience includes management positions in retail/wholesale garden centers and in field-growing operations. He holds a degree in botany from Eastern Illinois University.

Michael Porter

IL Certified Arborist 4325A

Sales (IL, IA, WI, NE, KS, MO)
michaelp@kankakeenursery.com

C: 815-391-0987

Michael Porter began his Kankakee Nursery career in August of 2021 and has over 30 years of experience in the green industry. Michael has a degree in horticulture from the University of Michigan and will cover Illinois, Iowa, Wisconsin, Nebraska, Kansas and Missouri for Kankakee.

The Kankakee Nursery sales team prides itself in its wealth of horticultural experience to help you with your plant needs. We believe our latest two additions further cement our team as one of the most knowledgeable in the industry.

Welcome David and Preston!

David Kieser

Sales (IN, KY, MI, OH)
david@davidkcompany.com

C: 260-750-2197

David joined Kankakee Nursery in July of 2023 as our new representative in Indiana, Michigan, Ohio and Kentucky. He brings with him nearly 30 year's experience in the green industry, including landscaping and landscape design. He has a degree in horticulture from the University of Illinois at Urbana-Champaign.

"I'm really looking forward to working with a long-standing company like Kankakee with such a rich history, family dynamic and deep product offerings."

- David

Preston Dyer

Sales (AR, OK, TX)
preston@kankakeenursery.com

C: 630-862-4555

Preston hopped on board the Kankakee team in September of 2023 as our first-ever sales rep in the South-Central U.S. Preston has over 20 year's experience in horticulture and agriculture sales and carries a deep-rooted passion for people and the green industry.

"I'm super grateful after all the wonderful years working alongside the Worth family, I am able to now represent one of my favorite tree growers here in the great state of Texas."

- Preston

Kankakee Nursery Field Crew

Everyone knows how difficult it's been to find hardworking, conscientious, and reliable employees over the last couple of years. We would not function without the effort and care that each and every one of our loyal employees puts into their work. We are thankful for them every day and are extremely lucky they are a part of the Kankakee Nursery family.

Todo sabe lo difícil que ha sido encontrar empleados trabajadores, concienzudos y fiables en los últimos años. No funcionaremos sin el esfuerzo y cuidado que cada uno de nuestros fieles empleados ponen en su trabajo. Estamos agradecidos por ellos todos los días y tenemos mucha suerte de que sean parte de la familia de Kankakee Nursery.

Agustin Ayala
Field Production Supervisor

As field production supervisor, Agustin leads a wide array of production duties including irrigation, planting and bare root digging. He has been at Kankakee for 45 years and also serves as our field personnel manager.

Jose R Avalos Gaytan
Field Operations Supervisor

"Beto" started at Kankakee in 1989 and coordinates the transport of all of our dug trees from the field to the loading dock. In the summer, he helps lead our tree planting and assists with tagging and quality control.

Pedro Diaz
Pruning and Bare Root Supervisor

Our longest-tenured employee, Pedro has been with Kankakee for 48 years. He is in charge of tree pruning in the field as well as maintaining the tens of thousands bare root trees we propagate and purchase.

Angel Andrade Campos
Tree Digging Supervisor

With Kankakee since 2001, Angel worked for years in propagation before recently taking on the large task of managing our tree harvest. Angel helps tag and track our tens of thousands of field-grown trees every year.

Reyes Cintora
Evergreen Supervisor

With over four decades of shrub digging experience, Reyes now focuses exclusively on managing our evergreen digging and shearing. He's been with Kankakee for 40 years.

Ramon Zarate Jr
Container Supervisor

Along with Balta, Ramon oversees all of our container production including potting, irrigation and order pulling. He also assists with bare root tree storage and planting. 2024 marks Ramon's 21st year with Kankakee.

Balta Alvarado
Container Supervisor

Balta has been with Kankakee for 38 years, working predominantly in our container plants. He is hands-on with all aspects of our container operation and also assists in tree planting.

David Andrade Cintora
Truck Loading & Tree Budding Supervisor

A jack of all trades, David is our go-to truck loader as well as an expert tree grafter. Check out our YouTube page to see some of David's grafting skills. He's been with us for 41 years.

Jose Batrez Jr & Oscar Martinez
Contract Tree Diggers

Jose and Oscar now lead our spring and fall B&B tree harvest. They worked for our previous digger, Dennis Fritts, for over 20 years.

Jim Davis
Head Mechanic

Our head mechanic and with us for 33 years, Jim and his crew work year-round to ensure our machinery is operating at full capacity.

Mike Lesage
Mechanic

Mike assists in maintaining our nursery fleet and specializes in electrical diagnostics and repair. He's been a member of the Kankakee team since 2007.

David Propes
Mechanic

David joined the mechanic team in 2023 and assists Jim and Mike with anything from fueling machines to general repair and maintenance.

The extension of the Kankakee Nursery staff that hauls and delivers for the nursery.

Bill Shives
Shives Trucking

While not technically an employee, Bill has hauled loads all over the Midwest for Kankakee Nursery for more than 30 years. Bill is so familiar with our customers, he's been known to prepare the coffee for their office when he arrives.

Pat Cooksey
Cooksey Trucking

Although he officially started his own company in 2015, Pat has delivered loads for Kankakee since 1999.

Rest in Peace, JoEll.

All of us would like to thank JoEll for her contributions to the nursery.

Natives (and Nativars!)

A “**Nativar**” is a cultivar of a native plant that has been selected for a specific plant trait.

Each of the nativars we grow at Kankakee have multiple outstanding traits. We believe that nativars can never replace true natives; they’ll simply continue to complement them!

2.5" BB	4" BB

“We love the #15 container program at Kankakee because we do most of our planting with volunteers and two people can very easily pick up, transport and plant this stock with nothing more than hand tools. They have been increasing the numbers of trees available and putting out a great variety of hardy, urban tolerant trees that are large enough to comply with most city ordinances. We are also a big fan of the root systems produced by the Root Pouch grow bag! They are dense enough to hold together throughout the transportation and planting process and have tons of fine roots ready to do their thing.”

Tom Ebeling, Community Arborist, Openlands

Founded in 1963, Openlands protects the natural and open spaces of northeastern Illinois and the surrounding region to ensure cleaner air and water, protect natural habitats and wildlife, and help balance and enrich our lives.

Experience the Root Pouch difference!

Great trees start with great root systems. We firmly believe the superior thermal and moisture control of the Root Pouch make it the best fabric pot on the market for generating healthy, fibrous root systems.

Photos courtesy of PCS Ornamental Plant Research-Belgium

Traditional Plastic Pot

Grown in Fabric Root Pouch

But we know you need a lot more than just great roots when buying trees. Here are a few of the other benefits Kankakee Nursery Root Pouch trees provide:

- Retail ready, perfect size for a homeowner
- Flat bottoms hold up in a wholesale yard
- Easy-to-plant with 1-2 people, critical in this labor market
- Constantly expanding selection with a native focus

Same Great Kankakee Quality!

Kankakee Nursery: A Proud Partner of the Morton Arboretum & The Chicago Region Trees Initiative.

CRTI is a partnership for coordinated action to improve the health, diversity, and equitable distribution of trees to benefit people and communities in the Chicago region.

“The innovative grow bags yield trees with good vigor and root growth. They work well for community tree plantings as they are small enough to be planted by volunteers, yet large enough to have a substantial presence once planted.”

– Trinity Pierce, Stewardship Manager, Chicago Region Trees Initiative
